Highlights and Usage Tips

Standard Catalog Instruction Page

- On a computing device, links are included to help you get the most from the Catalog.
 - Internal links allow you to jump to a location within the Catalog. **All items in the table of contents are touchable/clickable**, and links to the Catalog table of contents are listed at the top of each page.
 - External links allow access to information hosted on the internet, allowing you to drill-down for more information on equipment and accessory models, technical resources, and more.
- On a computing device, the Catalog is best viewed using a dedicated PDF reader app. **We recommend the free Adobe Reader app for all devices.** The PDF is also formatted for printing if needed.

Additional Notes & Disclaimers:

Due to the rapidly changing nature of product designs, efficiency ratings and system combinations, please utilize the official AHRI website (www.ahrinet.org) to verify all efficiency ratings, AHRI certification numbers, and current equipment/system combinations. Your Catalog is an Interactive PDF, and it is designed for best usage on a tablet (iPad or Android) or laptop computer.

Systems highlighted in blue meet or exceed the performance requirements of the Consortium for Energy Efficiency (CEE) highest efficiency tier, not including any advanced tier, of the CEE specification noted as effective in the CEE Tier Tooltips in AHRI. Potential Eligibility for Tax Credit value, as displayed in the AHRI Directory, is based on these Consortium for Energy Efficiency (CEE) requirements. NOTE: The displayed Potential Eligibility for Tax Credit value may change in AHRI when changes are made to the AHRI Certified Ratings and/or the effective CEE specification.
