WHO WE ARE

Refrigerative Supply LTD. is a trusted HVAC/R distributor serving mechanical contractors, engineers, and consultants across Western Canada. With over 75 years of industry experience, we've built a reputation for delivering unparalleled support, top-tier equipment, and a commitment to helping you succeed in every project.

WHAT WE DO

We go beyond distribution. At Refrigerative Supply, we partner with you to ensure your projects are delivered smoothly from design to completion. Our mission is to empower you with the tools, expertise, and resources you need to stay ahead in a competitive industry.

WHY PARTNER WITH REFRIGERATIVE SUPPLY?

- **Extensive Footprint**
With 18 branch locations and 4 distribution centres across Western Canada, we offer unmatched coverage and support where you need it most. Our expansive network ensures faster delivery times and reliable local stock to keep your projects on track.
- **Technical Expertise**
Our team includes Red Seal HVAC/R technicians, dedicated to providing technical support and troubleshooting. These specialists focus solely on your success, offering guidance without competing with service providers.
- **A Focus on Your Success**
At Refrigerative Supply, our sales staff prioritize building long-term partnerships and ensuring the success of your projects. Their focus is on providing support and solutions tailored to your needs, not just driving the next sale. This client-centered approach helps keep your projects on track and well-supported from start to finish.
- **Project Management Support**
From planning to execution, we provide expert project management support to ensure your timeline and budget are met. Count on us to help coordinate resources and solve challenges proactively.
- **Online Ordering & Real-Time Stock Checks**
Simplify your workflow with our online platform. Check stock availability, place orders, and manage your account anytime, anywhere. We're here to make your life easier.
- **Comprehensive Stock of Equipment & Parts**
From leading brands to hard-to-find components, our vast inventory ensures you'll have what you need, when you need it. Our goal is to be your one-stop shop for HVAC/R equipment and parts.

OUR PROMISE

We're more than a distributor — we're your partner in excellence. Whether you're designing, specifying, or installing, Refrigerative Supply delivers the expertise, resources, and support that sets us apart.
