Dear Valued Customers,

We would like to thank you for your continued patience and support of Refrigerative Supply. We hope that you and your family have kept safe during these trying times.

During the past couple of months, we have been hard at work getting our store ready for customers. You will now see

- physical distancing in effect,
- a maximum of 12 customers in the store at one time,
- a hand sanitization station at the store entrance for your use before entering the store,
- plexiglass safeguards at our counters,
- a doorbell at the warehouse door, and
- access limited to the showroom only.

If there are already 12 customers in the store, please wait outside while maintaining physical distancing. We will let you in the store as soon as we have available capacity.

We have returned to our regular business hours from 7 am - 5 pm Monday to Friday and 9am - 1 pm on Saturday.

Curbside service will remain available for all who prefer this option. Please call, text or email the branch to place your order.
